HÄFELE INTRODUCES GEORGIA DECORATIVE COLLECTION IN POLISHED NICKEL

Häfele America Co. is pleased to introduce the Georgia decorative hardware collection. With a popular polished nickel finish, the hardware coordinates well with nickel and stainless steel finishes used on metal accents in the home. A transitional styling and finish allows use on today's popular kitchen designs. Handles and knobs come in a range of sizes, easing the challenges of designing various size doors and drawers into a project. This collection, includes matching high quality, matching brass decorative hinges and is offered at a competitive price.
