Here is what AWFS® offers your company!
(no membership required)

National Trade Show exposure through the AWFS® Fair, one of the largest trade shows for the woodworking industry.

Public Policy Support AWFS® membership supports paid lobbyists that advocate actively for issues affecting the woodworking industry.

Industry Education through such programs as the College of Woodworking Knowledge® (CWWK®) Seminar Program at the AWFS® Fair, the Fresh Wood student woodworking competition and the educational resource website WoodIndustryEd.org.

Awards program Your company has the opportunity for industry recognition through the AWFS® Fair Visionary awards program for best new products in various categories.

Young Furniture Associates (YFA): AWFS®'s local chapter offers networking and educational opportunities to Southern California industry professionals including golf tournaments, a fund-raising auction/dinner, and plant tours.

Industry Networking Events such as the AWFS® Fair and the Woodworking Industry Conference (WIC) are great ways to meet and mingle with other industry professionals.
